Sixth Ward Constable

Tangipahoa Parish

Phillip D. Ridder, Jr.

12295 Hwy 1064 Tickfaw, La 70466

To the Ethics Board or Whom It May Concern,

For safety purposes please see for March Meeting.

My name is Phillip David Ridder, Jr. I am the newly elected sixth ward constable of Tangipahoa Parish, I am trying to buy a LA. State Police Unit that has been taking out of service, and replaced with a new one, James Lawson the compliance office supervisor over the state surplus told me that I would have to open a checking account in the six ward constables office name, the outgoing constable did not have a checking account for the constable office, and did not have any money when he left. I have only been in office for 24 days and have not made enough money yet to purchase one of the units. I have enough money in my personal checking account to put into the constable account and buy one of the units. I would like your opinion in writing on this matter as to if this is ethical or not.

Thank you so much, Sixth Ward Constable, Phillip David Ridder, Jr.

Phillip David Ridder, Jr.
